

Dear Prospective Corporate Sponsor,

Lancer Lacrosse was founded in 2002. We are a not-for-profit 501c3 organization whose mission is to provide competitive high school lacrosse for the young men of Shawnee Mission East and other young men who live within the Shawnee Mission School District. Athletes in the Program are required to perform 5 hours of community service each year. The club is governed by a Board of Directors composed of volunteer parents. The Lancers play in the Lacrosse Association of Kansas City League (LAKC) which brings local KC Metro area programs together to compete for the LAKC trophy. We play locally and travel once or twice a season to play lacrosse programs across the Midwest. We welcome beginner and experienced players.

Lacrosse is not a KSHAA sport and therefore a club sport at every Kansas public school. Unlike some of the teams we play, Lancer Lacrosse is made up of 100% SME students. Players are asked to pay \$750 to be a part of this championship program, but we do offer discounted fees for **anyone in need**. Our mission is to allow access to the game for all boys who want to play lacrosse. To keep from pricing kids out, we keep our player fees as low as we can. The player fees do not cover the full costs to run the program and we rely heavily on donations. Your **tax-deductible contribution** will help fund uniforms, field rentals, coaches' salaries, travel expenses, game day trainers, league dues and so much more. Please consider donating to the Lancer Lacrosse Legacy Fund and sponsoring the 2022-2023 Lancer Lacrosse Season at one of the following levels:
