

Dear Friend of Lancer Lacrosse,

The Lancer Lacrosse Program has a tradition of excellence stretching back to 2002. The team and the coaches are committed to another victorious season. That's where you come in - we need your financial support to keep our program in top form.

Lacrosse is not a KSHAA sport and therefore a club sport at every Kansas public school. Players are asked to pay \$750 to be a part of this championship program. To keep from pricing kids out, we keep our player fees as low as we can, and we do offer discounted fees for **anyone in need**. Our mission is to allow access to the game for all boys who want to play lacrosse. Unfortunately, player fees do not cover the full costs to run the program and we rely heavily on donations. Your **tax-deductible contribution** will help fund uniforms, field rentals, coaches' salaries, travel expenses, game day trainers, league dues and so much more. **We ask that every family raise \$250 in sponsorships but any amount is welcomed and appreciated.** Please reach out to family and friends and consider supporting the 2022-2023 Lancer Lacrosse Season at one of the following levels:
